### Summary of Expenditure

Total PPSG received 23-24	<b>£16,200</b>
Total PPSG expenditure	<b>£16,474.43 (£274.43 from other income)</b>

### Meeting national curriculum requirement for swimming and water safety

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	Not yet assessed – all pupils (eligible) to be assessed during Autumn T1 & T2 24
What percentage of your current Year 6 cohort use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	

### Impact of 2022-23 PE and Sports Premium Funding

- Spring School is a new school and is working with an entirely new cohort of pupils to undo years of mistrust that they have built up through their experiences of PE in alternative settings. This is managed through a person-centred approach to PE and a lesson structure that encourages fun, learning and competition in ways that the cohort can digest.
- The continued bespoke and individualised support of pupils as required as well as use of appropriate (size, material, etc) equipment has led to improved learning outcomes, specifically with regards to fine and gross motor skills.
- From assessments (which includes formative pre and post unit audit of skill levels and summative PE assessments x 3 a year) there is clear evidence that pupils are gaining in skills and PE specific knowledge.
- Spring pupils have experienced significant increases of participation and engagement in PE lessons as a result of the redesigned curriculum. The revised curriculum ensures a broader PE experience and as a result, as well as increasing engagement, it has and is more likely to encourage long term participation and passion for sport. An example of this is the desire for KS3 pupils to engage in more diverse PE/sporting experiences and opportunities – this has been limited by the temporary accommodation in which the school is currently housed, staff are working hard to address this through creative planning and delivery and access to off-site opportunities.

**Areas for future expenditure:**

Spring will continue to spend PPSG in the following areas:

- Swimming Lessons
- Extra-Curricular activities
- Learning Outside the Classroom activities
- Playground equipment
- CPD opportunities for staff
